

Proposed Strategies for Action

- Improve connections for pedestrian and bicycle travel
- Improve the street environment for pedestrians
- Improve streetscape on 152nd Avenue NE
- Coordinate with transit agencies to enhance regional and local transit connections
- Improve local access for all modes by creating a denser network of smaller, local streets in the Overlake Village area
- Improve the efficiency of the transportation system to accommodate regional travel needs
- Create a parking management program within Overlake Neighborhood
- Update the Transportation Demand Management program for Overlake Neighborhood
